SUMMARY

Motivated and skilled software developer with strong problem-solving abilities, hands-on project experience, and a passion for building scalable, real-world application.

EXPERIENCE

Jr. Software Developer
Bhopal, M.P.

Leopardruns Innovation & Technology

A tech company focused on innovative solutions

- Developed and optimized 5+ reusable React components, enhancing UI performance
- Refactored API calls, reducing data fetch time by 30% and improving app efficiency
- Implemented Redux state management, making the app more scalable

KEY ACHIEVEMENTS

LeetCode Problem Solver

Solved 150+ questions on LeetCode

Coding Hackathon Success

Won the Codecraft-Hackathon organized by college as part of MATRIM-2025

SKILLS

C/C++, Java, JavaScript, Python, HTML, CSS, TypeScript, SQL, Data Structures, Object-Oriented Programming, Spring Boot, React, Next.js, Node.js, Express.js, MySQL, MongoDB, REST APIs, GitHub, Postman, Docker, SEO, WebSockets

PROJECTS

FIESTAGRAM

A social media application developed with various interactive features

- Implemented real-time chat and post-sharing with interactive features like likes and comments, reducing interaction delays by 50%
- Secured authentication for 1,000+ users using Firebase Auth, ensuring data protection
- Integrated Cloudinary for image storage, optimizing loading speed and storage efficiency

AI SUMMARIZER

A utility project aimed at helping users quickly summarize online content

- Built a Chrome Extension to summarize selected text on webpages using SpringBoot backend and Gemini API, improving speed by 60% and persistent summary access

SPRING CHAT

A real-time communication platform for users

- Created full-stack chat app allowing users to create and join rooms, with instant communication using Spring Boot and React and web sockets

BITLINKS

A service to shorten URLs effectively while providing custom aliases

- Developed a full-stack URL shortener handling 2,000+ shortened links with custom aliases and redirect functionality Using Next.js and Node.js, improving page load speed and SEO
